

CANCELLATION POLICY

Late cancellations and no-show appointments are charged a 50% fee if not cancelled with **48 business hours notice**. Valid credit cards are kept on file for such purposes.

As a courtesy, if you are able to schedule another appointment within the same calendar week (subject to availability) you will not be charged a full session fee. Instead, you will pay only the remaining 50% of your original fee.

For your convenience, you may schedule a phone appointment or a SKYPE Video appointment in lieu of an office visit in order to avoid a cancellation fee, subject to availability. I will make every effort to provide you with that opportunity, but cannot guarantee available time.

Your cancellation should be delivered by phone to my professional line as soon as possible. Please do not send cancellation notices by text.
